SHELTER RENTAL FOR WEDDINGS: \$700.00 for whole day (Special arrangements must be made if prior set-up is requested).
SHELTER KITCHEN USE WITH HELPER _____ (check mark) \$15.00 per hour (Available with Shelter Rental).

The groups outing coordinator is responsible for collecting payment from individuals who have tee times and reservations with your group. You can secure payment by collecting credit card information, checks or cash. You can arrange for them to pay the day of the outing at check in, however, if they don't show, you are responsible to pay for their tee time and dinner reservation. **Advance payment collection is always recommended** to guarantee a good golf turnout. Continued communication is important when reserving tee times for groups. A list of players must be turned in 4 days before the outing. A 24-hour notice in advance of tee time changes are required. This process is to ensure the tee times are guaranteed.

A non-refundable \$50.00 deposit is required to reserve a date for outings at the shelter house of 20 or more due 60 days prior to the event or at the time of reservation (whichever is nearer the date). A credit card is required to reserve tee time blocks of 20 or more to be held in the event of no-shows (\$15.00 per no show will be charged to the card).
