Sunday, January 25, 2020

**BARBI GEORGE & CORY GEORGE**  
MANAGER/COORDINATOR

Dear Members & Friends of Valley View:

Our staff remains invested in Valley View’s success for your enjoyment this coming season. We are going to modify several rates for this coming year; Look for rate change to be effective March 1, 2020. Rate flyers are available now. Cart memberships include nine months and exclude Dec., Jan., and Feb. The winter cart membership add-on (\$50) has paid off as a real value this year. We mowed greens in January and several players got their money’s worth already! With luck we will have more good weather to come; We stay open all year weather permitting.

**2020**

Join Valley View now and take advantage of the great weather. April 1<sup>st</sup> is the official start of the new golf season, but “new” early memberships get the extra days as a bonus. Add \$50 for a winter cart.

What’s in store for this upcoming season?

Despite rumors, the golf course is not sold. We are searching for buyers who are interested in keeping Valley View a golf course. There is no doubt that Valley View is operating as usual in 2020. We want to thank all of our members and golfers for enjoying the course in the past and would like to encourage more participation in the future. The more friends and family who play golf, the more fun for everyone. This inclusiveness is the reason we are extending a **thank you** gift certificate for **members** to bring a friend for a free round of golf with a cart. The gift certificate is good for anyone who accompanies a member until the end of April.

**CLUB CHAMPIONS**

**Shawn Evans –Club Champion**  
**Austin Conte – Club Runner-up**  
**Shawn Evans – SR Club Champ**  
**Tim Raymond –SR Runner-up**  
Congratulations to the new reigning champions 2019-2020.

There are open days for a new league and outings. The Monday morning senior league is definitely happening. You only have to be 50 years old or over to play. If you want to do an outing for fundraiser or other reason, there are still dates open. Talk to Cory or Barbi about how the outings work.

The grounds crew is working on more downed and dead trees. There are already many that have been cut down and we’re working on getting the stumps out of the way. This also calls for new tree plantings. Anyone who would like to volunteer on

**BARBI GEORGE & CORY  
GEORGE**  
MANAGER/COORDINATOR

Saturday, March 28th, 11 a.m. to 3 p.m., call Cory at 740-215-6682. Some members suggested the activity to build relations and keep the course in good shape. Come share a pot of chili and participate in clean-up around the golf course as a group. Bring your own trimmer, gloves, and rakes; we will share trailers for piles. Potluck dishes are welcome. We are open to suggestions, so feel free to drop a note off at the pro shop.

Our rates fall in line with other comparable courses. Golf18network will continue as our online tee sheet program and our website offers free fee booking (first time - credit card required but not charged).

All announcements, specials, pro shop sales and events or tournaments are announced by email. Email is our main source of information. Some events are posted on Facebook and our website calendar. The return on newspaper advertising is difficult to justify, but occasionally we will use it.

Sponsor signs are available for sale at \$325 for a whole year on your choice of an open hole location. Another opportunity for advertising is a 12" by 12" bulletin board ad in the wall case behind the pro-shop desk. For \$175 your ad can be on display for 3 months of April – June and/or July – September.

Congratulations to Shawn Evans, 2019-2020 winner of Valley View's Club Champion and Senior Club Championship golf tournament. Austin Conte won Club Runner-up and Tim Raymond won Senior Club Runner-up. We are open mornings regularly 9 a.m. till noon during winter, and through 4 p.m. or later if playable conditions allow. Call us anytime!

Sincerely,

Barbi George & Cory George
